\$40for40

In 2010, Renascent celebrates 40 years of service and welcomes its 40,000th client. You can make a difference right now by donating \$40 – in your name or the name of someone you'd like to honour.

We have a goal of raising \$40,000 or finding 1,000 men and women to provide one-time or monthly gifts of \$40.

Drop your gift off to the house, mail it in or make your \$40 gift online at www.40for40.ca where you can also post your message of hope.

* A monthly sustaining gift continues to be deducted after a year so in essence you become a donor Renascent can count on for a long time. You can suspend or change the amount of your gift at any time. Monthly sustaining giving is the most painless way to build a significant annual gift and more of your money goes to helping people since it requires less administration.
